

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 14, 1995

SUBJECT: **SB 722 - HB 1056**

This bill, if enacted, will allow the judge the option of sentencing first time DUI offenders to 100 hours of public service work in a supervised program in lieu of the required minimum jail sentence.

The fiscal impact from enactment of this bill is estimated to be a decrease in expenditures to local governments and will depend upon the number of persons sentenced to public service work and the cost to organize such work versus the cost that would have been incurred to incarcerate such persons. Therefore, decreased expenditures to local governments cannot be reasonably determined but are estimated to exceed \$100,000 if judges in several jurisdictions sentence offenders to such public service work as opposed to incarceration.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
